Our mission is to bring you absolutely the BEST possible Clean Read experience every month!

ABOUT

Our story is really very simple. We read a LOT!

However, as much as we enjoy stories of all types, we enjoy Clean Reads most of all, and want to share that love with as many others as we possibly can.

We want to share our passion with you!

With AmishCrate, we are taking that a step further. We are making it our mission to bring Amish fiction novels to new readers and spread the word about these AMAZING books and the authors who pen them

The opportunity to curate a box filled with fantastic reads, beautiful bookmarks, fun stickers, cute pins, great buttons, unique coffee mugs, bookish socks, gorgeous wall hangings, spectacular art prints, neat magnets, clever keychains, and so much more... is just an added bonus.

We hope you enjoy these subscription book boxes as much as we've enjoyed building them for you!

We work with indie authors and shop-owners in order to support local small businesses!
