Our mission is to bring you absolutely the BEST possible Clean Read experience every month!

ABOUT

Our story is really very simple. We read a LOT!

However, as much as we enjoy stories of all types, we enjoy Clean Reads most of all, and want to share that love with as many others as we possibly can.

We want to share our passion with you!

Creating the Clean Reads Book Box is the best way we could think of to do that! And creating a box filled with fantastic reads, beautiful bookmarks, fun stickers, cute pins, great buttons, unique coffee mugs, bookish socks, gorgeous wall hangings, spectacular art prints, neat magnets, clever keychains, and so much more... is just an added bonus.

Books are an escape from the every day stresses we all face, and they should be a true escape; not just to a fictional world, but to a better one.

We hope you enjoy these subscription book boxes as much as we've enjoyed building them for you!

We work with indie authors and shop-owners in order to support local small businesses!
